

# Guide to Prowise!

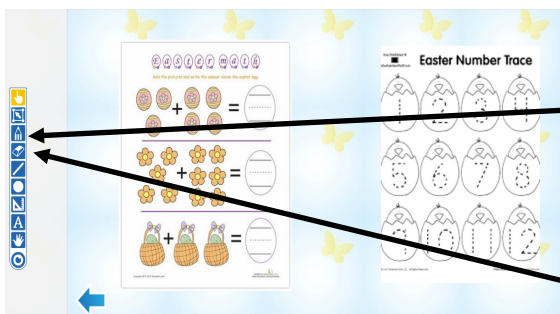

This will be the home page when you load up the Easter document.

Click here to see an overview of the document and each individual pages available.

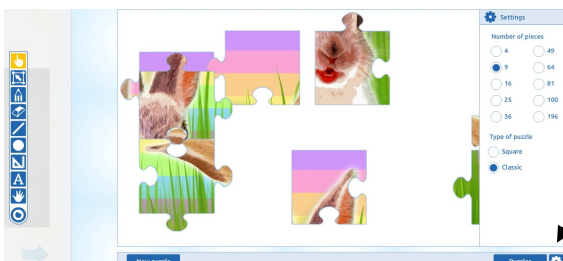

Use these arrows to access new page on document (alternatively follow the previous step)

Here you will find the pen icon which allows you to draw over the document.

Alternatively, here is the rubber icon which allows you to erase any work attempted.

Clicking here will allow you to change the complexity of the puzzle.

Clicking on these links will take you to online pages where information and help is available for all.

Click the play button to play videos or sound.
