

  
Soon there will be a new baby in my home.

         
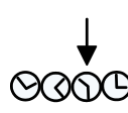

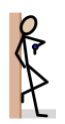

The new baby will sometimes make loud noises that

        
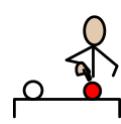

I don't expect. The baby will sometimes cry. This is

  
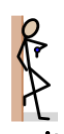

ok.

          
If the baby cries and I do not like it I can go to my room

       
and play with my favourite things.

         
Sometimes I may have to wait if the baby wants something or

          
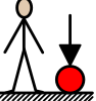

is not happy. This is ok. I can play with my favourite

      
things or watch TV whilst I wait.

The baby loves me and I am learning to love the baby.

The baby will be kind to me and I will be kind

  
to the baby.

Staying calm and being kind is good.
