

I am growing up and I am learning to do all my

wee on the toilet.

If I need to wee I must tell the grown up I am

with and go to the nearest toilet.

The grown up I am with can help me if I need.

Sometimes I forget to say in time and I wee in my

pants. This is okay, my grown up can help me get

clean. I can remember to tell my grown up next time I

need to wee.

 I  need  to  wipe  myself  and  wash my hands  after   I

 have been  for a  wee  on the toilet.

It is  good  to  wee  on the toilet.
