

Ty Gwyn School

Sports Week 2021

A Note to Staff

This year, things are obviously going to be a bit different. That's not to say that they won't be fun!

Firstly, the scoring... Due to the fact that we're doing things in class, it's going to be up to class teams to upload the points to a central score sheet. This can be found on *OneDrive > All Staff > PHYSICAL EDUCATION > Sports Week 2021*. **The scoring systems for each event are included on the how to guides.** These need to be uploaded by the end of each day of sports week so that we can give a daily update as to which team is in the lead.

Secondly, we'd really appreciate it if you could film the children taking part in the events. These videos will then be used by our ATC team who've very kindly agreed to make a montage video showing off all of the fun things that we've done as part of Sports Week 2021. This will be made available to parents on our school website, so please ensure that the children that you've filmed have filming consent from a parent or carer.

Finally, let's make this a really positive, fun week for everyone by getting as many of our students involved as possible. Please make lots of banners and bunting supporting your House Team, and wear house colours to show your individual support.

Many thanks,

The Health & Wellbeing Team
